Contact BMS Fiscal Agent for coverage, prior authorization requirements, service limitations and other practitioner information.

519.1 PRACTITIONER SERVICES OVERVIEW

BACKGROUND

Chapter 519 of the West Virginia Bureau for Medical Services (BMS) Provider Manual includes policies governing the provision of practitioner services in the West Virginia Medicaid Program. The policies within this chapter are specific to enrolled physicians, non-physician practitioners (NPP), podiatrists and chiropractors who provide services to West Virginia Medicaid members.

For Out-of-Network services / provider information please refer to [Chapter 100, General Information](#) and [Chapter 300, Provider Participation Requirements](#).

The following services are included in Chapter 519, Practitioner Services:

- 519.1 Practitioner Services Overview
- 519.2 Anesthesia Services
- 519.3 Antigen and Allergy Services
- 519.4 Bariatric Services
- 519.5 Cancer Screenings
- 519.6 Cardiac Rehabilitative Services
- 519.7 Chiropractic Services
- 519.8 Evaluation and Management Services
- 519.9 Hyperbaric Oxygen Therapy (HBOT) Services
- 519.10 Immunization Services
- 519.11 Osteopathic Manipulative Treatment (OMT) Services
- 519.12 Reserved for Future Use
- 519.13 Podiatry Services
- 519.14 Pulmonary Rehabilitative Services
- 519.15 Reproductive Health Services
 - Family Planning
 - Sterilization
- 519.16 Surgical Services
- 519.17 Telehealth Services
- 519.18 Tobacco Cessation Services
- 519.19 Women's Health Services
 - Gynecological Services
 - Maternity
