

## STATE OF WEST VIRGINIA DEPARTMENT OF HEALTH AND HUMAN RESOURCES BUREAU FOR MEDICAL SERVICES

## Office of Pharmacy Service Prior Authorization Criteria

Zyvox® (linezolid)
Prior Authorization Request Form

## Prior authorization requests for Zyvox will be approved if the following criteria are met:

- Treatment of active infections with the following organisms which are methicillin resistant:
  - a. Gram positive cocci and enterococci organisms
  - b. Staph aureus or epidermidis
- 2) Due to its 100% bioavailability, all intravenous forms must be clinically justified prior to approval being given.
- 3) All other requests will be reviewed by the Medical Director on a case-by-case basis.
